Dear Veteran,

The American GI Forum (AGIF) is a congressionally chartered Veteran Family Organization. As an organization we provide many different services to our veteran community. The goals of the organization are to protect the rights of all veterans and their families, provide and secure funds for scholarship programs for Hispanic youth and veterans, provide support for issues that affect Hispanic families and support community.

The Mile Hi Chapter of the AGIF Veterans Affairs Committee and community partners would like to conduct a health fair. The target audience are Latino Veterans/Veteranos, but no veteran will be turned away. The planning team is interested in your specific physical and mental the health educational needs so we can plan a *meaningful event for you*.

Before we move forward in planning the health fair, we will need your input so we can make the health fair *relevant to you* to better meet your needs. Please complete the “Latino Veterans Health Needs Assessment” on the reverse side which should take 3 to 5 minutes to complete. **Return survey to the person who gave you the survey or simple complete the survey by clicking on the link: [Agifmilehigh.org](http://Agifmilehigh.org) or enter the link in the web browser.**

If you have any questions, please contact Deana Gallegos, Registered Nurse at [cdrgallegos@yahoo.com](mailto:cdrgallegos@yahoo.com) or call 303 433-9696. Thank you for your participation in completing the health needs assessment form.

Sincerely,
